(xxxx year only) These Syndicates are listed for years of account up to and including an exacting year. Binding authorities may have been issued by the syndicates during the year xxxx, and under the terms of such binding authorities, US business may continue to be written during the current calendar year for the account of the xxxx syndicates. The US Situs Surplus Lines Trust Deeds subscribed to by the xxxx Year of Account of these syndicates continues to protect any such business written for that Year of Account.

Any equivalently numbered Lloyd's Syndicates for the underwriting years subsequent to xxxx have not executed US Situs Surplus Lines Trust Deeds and are not eligible for surplus lines placements.
