

QUEBEC PLAN DE RÉPARTITION DES RISQUES FACILITY ('P.R.R') ENDORSEMENT
(for use in conjunction with LMA3020 Canadian Non-Marine Binding Authority Agreement
and applies to all Quebec Automobile insurance business)

Attaching to and forming part of **Agreement Number:**

The Coverholder may transfer risks to the Plan de Répartition des Risques ("the Plan") up to such limit as is advised to the Coverholder by the Attorney In Fact in Canada for Lloyd's Underwriters. Such transfer shall be made only in accordance with the rules from time to time promulgated by the body authorised by statute to administer the Plan.

Any individual risk which forms part of a synthetic fleet and is ceded to the Plan must not be subject to any discount that the synthetic fleet may have been granted by the Underwriters.
