

THOMAS DUNBAR

Senior Vice President - Information Risk Management, XL Capital

As Global IT Chief Security Officer, Tom holds global responsibility for XL Capital's overall IT Security program. This includes the company's IT security strategy, tactics, planning, governance, architecture, and operations. He is also responsible for the company's security policies and standards including Information Risk Management. Additionally, he manages the global Disaster Recovery Programme for the XL organisation and leads XL's IT compliance programme for Sarbanes Oxley.

Tom joined XL in 2002 as their first Global IT CSO. Prior to joining XL, he was Director of Information Security Programmes at Citigroup.

He has ten years experience in Information Security and holds both the CISSP and CISM certifications and a Bachelor of Arts in Mathematics from the College of the Holy Cross in Worcester, Massachusetts.

Tom is the recipient of the 2006 SC Magazine Award CSO of the Year.
