‘Just Turn Up Day’

What is a ‘Just Turn Up’ day?
ELBA ‘Just Turn Up’ challenge days are an opportunity for volunteers, experienced or beginner, to simply turn up and lend a hand on a project in the community. Just Turn Up days are a great, hassle-free way to volunteer your time, and are also a really good way of gaining an insight into what volunteering involves, whilst meeting other volunteers and having lots of fun!

Help required...It’s a Secret Garden!
The Friends of Tower Hamlets Cemetery Park and Poplar HARCA will bring to life an inspirational greening project in a totally unassuming place...on a wall in the Leopold Estate! The plan is to create a living wall full of flowering and edible plants and they would love you to join them and local residents in this exciting project to help build the wall, plant the wall and care for the wall.

The Friends of Tower Hamlets Cemetery Park are the custodians of London’s most urban woodland and closed, historic cemetery. Poplar HARCA (Housing and Regeneration Community Association) is a registered social landlord. They own and manage around 9,000 homes in Poplar, East London.

If you’d like to learn a new type of gardening skill, meet new people and try something different, please get in touch.
