Authorisation requirements

The Service is provided on the basis that all FAL information for the Member/TPFP will be available to the User(s). Therefore, a registered director¹/limited partner/LLP member² of the Member/TPFP (as applicable) will be required to sign this form, either as a proposed User or as a countersignatory to confirm that they have no objection to the FAL information being made available to the User(s).

Application forms must be completed using wet ink or a digital signature. If using a digital signature please ensure this is accompanied by an audit trail in the form of a DocuSign summary or similar.

- **Individual member/TPFP:** The individual member/TPFP either as a User or in the countersignature section.
- **Limited member/TPFP company:** A registered director of the company as a User or in the countersignature section.
- **Whole of LLP or SLP:** All limited partners or LLP members either as a User or in the countersignature section.

User Declarations

I/we request access to the Funds at Lloyd's information of the Member(s)/TPFP(s) identified above or on the attached list (the provision of such access constituting "the Service" for the purposes of these Terms and Conditions).

I/we confirm that I/we have registered at <https://secure.lloyds.com> with the email address(es) given below.

In requesting access to the information I/we accept the [Terms of Use](#).
