

Lloyd's Patriotic Fund
Tier 1 Tier 2 Grants 2026

FAQs

Are the grants available to Community Interest Companies (CIC)?

Tier 1 and Tier 2 grants are not available to CICs.

Can the project fund a particular group or location?

Yes. Any project focusing on employability and/or mental health of military veterans and their families can be submitted, including those focusing on a small demographic – either geographical or social.

What is meant by 'Investments' and 'Reserves' within the 'Financials' section of the application form?

By "Investments", we mean the total value of your charity's investments.

By "Reserves", we are looking for the total amount of unrestricted funds that are available to spend on your charity's work.

Are service leavers in transition i.e preparing to leave the Armed Forces, part of the project scope?

Yes. Service leavers in transition are included in the scope of project applications.

What should be included Lloyd's Patriotic Fund 'partnership' section of the application form?

Information around future needs of the project, how the practical relationship will work and any wider partnership should be included.
