## Lloyd's in Australia

Lloyd's is the world's specialist insurance and reinsurance market. With an unrivalled concentration of specialist underwriting expertise, underwriters come together to develop the essential, complex and critical insurance needed to underwrite human progress.

Lloyd's has been supporting Australian industry for more than 150 years. Our customers are the country's finance houses, railways, developers, mining operations and retailers. They are the entrepreneurs who drive the Australian economy, and they come to Lloyd's to access the scale, diversity and financial strength of our specialist insurance and reinsurance market.

The tailored service we provide includes risk coverage against extreme natural events, professional liability, accident and health, construction, real estate, transport, energy, cyber threat, terrorism and political instability.
