NOTES:

Lloyd's licensed name in Canada is "Lloyd's Underwriters" and must be used on all policies.

Global contracts must have Canadian Endorsement as first attachment. Full contract as second attachment.

Global contracts: Are subject to Federal Excise Tax, if there is no Canadian intermediary

Master Policies: If Master Policy has been submitted, individual policies are not required.

If Master Policy has not been submitted, either it is to be submitted in full OR the individual policies must be submitted with all the required wordings and not just the certificate.

All wordings: Amendments to policy wordings are not permitted
