Antares Underwriting Asia Pte Limited

Antares has extensive experience, expertise and a proven track record in Asian (re)insurance markets. Our office on the Lloyd's Asia platform represents the next step in the future of our business. By bringing together local experts who share our philosophy of consistency and service, we are building a truly global specialist underwriting platform. As part of the QIC Group, the largest insurance company in the Middle East, we have the financial strength to offer meaningful capacity locally, combined with a long term outlook and global capabilities.

Our goal and business

We are committed to enhancing our longstanding reputation in Singapore by further developing our presence. Our ambition is to combine tradition with innovation and deploy local expertise to develop our Singapore offering into a leading Asian platform underpinned by a level of service and client understanding which set us apart.

We offer a diverse portfolio of business lines:

Insurance and Reinsurance, Treaty, Excess of Loss / Pro Rata

- Hull & energy
- Cargo & Specie
- Property
- Terrorism
- Financial Institutions & Professional Indemnity
- Legal Expenses

Beazley

Beazley plc is the parent company of global, specialist insurance businesses with operations in Europe, the US, Latin America, Asia and Australia.

Beazley's global business is transacted through divisions: Marine; Political Risks & Contingency; Property; Reinsurance; and Specialty Lines. Beazley has an unbroken 30 year record of profitability.

Beazley manages six Lloyd's syndicates all of which are rated 'A' by A.M. Best and 'A+' by Standard & Poor's (Lloyd's market rating) and also benefit from the Lloyd's chain of security.

In 2016, Beazley underwrote gross premiums of USD\$2,195.6 million

Since opening in 2006, our Singapore office has become the Beazley hub for the Asia Pacific region. The product offerings for the hub are across all classes of engineering and construction insurance and reinsurance; as well as marine; aviation; contingency, terrorism, management liability, financial liability, professional liability, cyber, political risks and trade credit; and reinsurance for property risk and catastrophe excess of loss treaties.

Engineering and construction products include:

- Machinery breakdown (MB) and loss of profits following (MLOP)
- Contractors all risks (CAR) & Erection all risks (EAR)
- Electronic equipment (EEI) and computer insurances
- Plant and machinery all risks (MAR)
- Advance loss of profits/delay in start up (ALOP/DSU)

Political, trade credit, terrorism and contingency risks coverage include:

- Political risks, political violence & stand alone terrorism
- Contract frustration and trade credit
- Contingency (event cancellation, conference & exhibitions, prize indemnity, weather)

Marine products include:

- Cargo
- Fine art and specie
- Project cargo
- Marine hull

International Financial Lines:

- Professional indemnity
- Directors and officers liability
- Financial institutions Risks
- Healthcare risks
- Cyber risks
- Surety
- Transactional liability
- Treaty

In addition, Beazley has a dedicated property underwriter focusing on property facultative risks. We also focus on jewellers block, airline, general aviation and rotor wing insurance. Our market leading team provides hull and liability cover for commercial and private operators; onshore/offshore operators; and business jets and medium to high value turbo prop aircraft. Beazley is also a member of the Construction Consortium at Lloyd's Asia, offering capacity of USD212.5m for large construction projects.

BRIT

GLOBAL SPECIALTY

Brit

Brit is a market-leading global specialty insurer and reinsurer, focused on writing complex risks. We have a major presence in Lloyd's of London, the world's specialist insurance market provider, and a significant US and international reach.

Brit Global Specialty Singapore is a wholly owned subsidiary of Brit, writing on behalf of Lloyd's of London syndicate 2987.

Brit Global Specialty Singapore started writing business in 2016 and is focused on offering the following products:

- Construction
- Political and Credit Risk
- War, Terrorism and Political Violence
- Marine Hull, Cargo and Liability

Seeing the difference makes the difference. The risks we write can be unusual and complex: our underwriters' technical competence, experience and class expertise enables us to provide bespoke solutions for our clients; from SMEs through to multinational organisations. The specialist approach that underscores our underwriting philosophy sets us apart and we lead a range of insurance and reinsurance programmes.

Newline Asia

Newline was founded in 1997 and specialises in underwriting financial lines, casualty and marine (re)insurance through Lloyd's Syndicate 1218. Our team of skilled underwriters and dedicated claims professionals have made Newline a recognised market leader.

The syndicate's portfolio has always included business from the Asian region, but we decided to participate in Lloyd's Asia to get closer to our clients to better understand their requirements and the local market.

Newline Asia commenced underwriting business in April 2007, and offers the same specialist products as the syndicate, namely:

- Professional indemnity
- Directors' and officers' liability
- Bankers' blanket bond
- Crime
- General liability including product liability
- Clinical trials
- Medical malpractice
- Cargo
- Specie/Fine Art

Each of these lines can be provided on a stand alone or a package basis enabling us to provide total solution for our clients.

Newline Asia Services Pte Ltd is wholly owned and supported by Odyssey Re Holdings Corp. Odyssey Re is a leading worldwide underwriter of property and casualty reinsurance as well as specialty insurance. The company is rated 'A+' (Superior) by A.M. Best and 'A-' (Strong) by Standard & Poor's.

QBE Marine and Energy Services Pte Ltd

Present in Singapore since 1889, QBE has in recent years been actively building its operations in Asia via a mixture of key acquisitions, local ventures and organic growth.

In 2008, QBE established an underwriting platform in Singapore under the Lloyd's Asia platform, underwriting for and on behalf of QBE Marine and Energy Syndicate 1036. Classes of business that can now be underwritten by our Singapore based underwriters include:

- Offshore Energy including Construction
- Onshore Energy
- Marine Hull including Yacht
- Marine War
- Cargo and Specie, including Cargo DSU
- Marine and Energy Liabilities including P&I
- Ports and Terminals
- Political Violence and Terrorism

Why QBE Marine & Energy Services?

We aim to give you the confidence to achieve your ambitions by helping you manage the risks associated with those ambitions – allowing you to focus on the outcomes you want, rather than on what might hold you back.

QBE's core operating companies are rated 'A+' by Standard & Poor's with positive outlook and 'A' by A.M. Best with stable outlook.

Sompo Canopus

Sompo Canopus is a global specialist (re)insurer and is part of Sompo Japan Nipponkoa Holdings, Inc., an A+ rated company with total assets close to \$100m and one of the top three Japanese insurance groups.

Sompo Canopus underwrites a diversified portfolio of specialty lines business from its operations at Lloyd's and around the world. It has offices in the UK, Ireland, Switzerland, Bermuda, the US and Singapore.

We write reinsurance through our global reinsurance brand, Sompo Canopus Re, which operates through our Lloyd's platform and our Zurich-based reinsurance company, Sompo Japan Canopus Reinsurance AG. The company, which is separately capitalised and backed by a parental guarantee from Sompo Japan Nipponkoa Insurance Inc., has financial strength ratings of 'A' (Excellent) from A.M. Best and 'A+' from Standard & Poor's.

Our Singapore team writes a broad portfolio of (re) insurance business across the Asia region on behalf of Syndicate 4444. Our portfolio includes:

- Property treaty reinsurance (Risk XL, Catastrophe XL and Pro-rata)
- Agriculture
- Offshore Energy and Offshore Construction
- Personal Accident
- Casualty (direct, facultative and treaty reinsurance)
- Marine (direct, facultative and treaty reinsurance)
- Terrorism and Political Violence (direct, facultative reinsurance and via the Xin Consortium)
- Political Risk and Trade Credit
- Engineering (direct and facultative reinsurance)

Our Singapore office reinforces the long term commitment of Sompo Canopus to the region. We firmly believe that by being closer to our customers and employing local expertise, we can develop a strong understanding of our client's needs as we deliver underwriting excellence, high levels of service and professional claims management to our brokers and clients.

**The
Standard
Syndicate**

The Standard Syndicate Asia

The Standard Syndicate Services Asia Pte. Ltd., trading as The Standard Syndicate Asia, enters into the contracts of insurance on behalf of The Standard Syndicate (Syndicate 1884).

The Standard Syndicate commenced underwriting in 2015 and was established by The Standard

Club, a long established, leading marine protection and indemnity (P&I) mutual insurer. It is focused exclusively on marine and energy underwriting and combines Lloyd's financial strength and expertise with the mutual ethos that has made the Standard Club a success since 1884.

The Standard Syndicate offers a range of fixed premium insurance covers for property, casualty and liability risks which have been selected based on the main insurance needs of ship owners, operators and offshore energy operators. Our focus is on hull, marine and energy liability, energy physical damage, D&O and E&O, marine and energy related property, cargo and specie, political risk and terrorism covers.

- Hull: Hull and Machinery for bulk cargo, liquid cargo, container, passenger ferry, small ships, and yachts, plus increased value, mortgagees' interest and war
- Energy: Physical damage, operator's extra expense/control of well and construction coverage for marine energy businesses covering mobile and fixed platforms and associated onshore facilities
- Liability: Marine energy related non-P&I liabilities, ports and terminals operator's liabilities and transport operator's liabilities
- Property: Ports, terminals, warehouses and other storage facilities including goods stored and marine-related 'dry' premises
- Cargo & Specie: General and specialist cargo, logistics, ROVs, specie
- Corporate lines: Marine E&O and D&O
- Political risk and terrorism

TOKIO MARINE
KILN

Tokio Marine Kiln

Tokio Marine Kiln has been building strong relationships in Asia for over fifty years, with many of these dating right back to 1962 when the company was founded. These trading relationships are highly valued within the business and Tokio Marine Kiln works hard to nurture existing partnerships and develop new ones.

Offices in Singapore, Hong Kong and Shanghai (through Lloyd's China) allow Tokio Marine Kiln to deliver the highest level of service to its Asian partners and underlines their commitment to the region.

Underwriters based in Asia are fully empowered to write their own class of business and being on the ground locally gives them a better understanding of client's needs. It also gives clients and trading partners easy access to Tokio Marine Kiln's expertise and allows them to benefit from its philosophy of on-site decision making.

Tokio Marine Kiln is one of the largest companies operating in the Lloyd's market and it backs its Asian offices with an enviable level of technical, financial and administrative support. Indeed, as part of the Tokio Marine Group, Tokio Marine Kiln's focus on Asia is stronger than ever.

Our focus is on the specialist insurance and reinsurance sector. We have local underwriting expertise, and the full capacity of our Lloyd's Syndicates, in the following classes of business:

- Accident and health
- Agriculture
- Aviation
- Construction and engineering
- Cyber
- General Liability
- Onshore energy
- Property
- Marine cargo
- Marine hull
- Marine Liability: Logistics, ports and terminals
- Political risk
- Specie/Fine art
- Terrorism
- Trade credit
- Treaty reinsurance
