# NORDISK MARINFÖRSÄKRING AB

## **Who is our insurance for?**

It is for all types of Operators of vessels, such as Owners and Charterers, since all Operators are exposed to financial losses caused by delays or detentions of the vessel. The delays may either be ship related, for ex. a grounding, or shore side related, for ex. a port strike.

- Operators affected by a ship related incident
- Operators affected by a shoreside incident
