Purpose	To advise Managing Agents and Auditors of the Lloyds American and Canadian Trust Funds Year End Reporting Timetable
Type	Annual Event
From	Ian Wootten, Manager, Financial Processing and STFO Finance, Risk Management & Operations Extn 2098 Ian.Wootten@lloyds.com
Date	9 November 2011
Deadline	As per the attached timetable
Related links	

Please find attached a copy of this year's timetable (Appendix 1).

As in previous years, the American Custody Pricing Tolerance Standard, which is now being accepted as the industry standard for all Trustees in the USA will be applied (see Appendix 2). Similar arrangements have been instituted with the Canadian Trustee (see Appendix 3).

Agents should note the pricing sources that the Trustees will be using. If agents anticipate any problems with these prices, steps should be taken to ensure that Citibank and/or RBC Dexia are supplied with an alternative valuation by 17 January 2012 and 11 January 2012 respectively. If no alternative valuations are received by the deadline, the initial prices obtained by the Trustees will automatically be applied.

Please note that if an alternative price is adopted for a particular security then it will be applied to all holdings within the Trust Fund.

Agents should take account of the tight timescale, which cannot be avoided, for all processing including queries. Please note that reports, as detailed on the timetable, will be available for collection from Tenants & Couriers, Lower Ground Floor, Lloyds 86 Building

by personal callers, who will need to produce an appropriate letter of authority and personal identification. All reports not collected from Tenants and Couriers on dates indicated will be posted the following morning.

US tax figures will be produced as they are needed to complete Names' US tax returns, but the information will be supplied direct to Lloyd's Tax Operations.

Any tax enquiries should be directed to Helen Harrison, Taxation Department on Lloyd's extension 6859.

Managing Agents and their investment advisers should be aware that SLTF, CRTF and U.S. Life Syndicate preliminary pricings and assets will be available electronically via Citidirect on 3 January 2012. The preliminary pricings and assets for the Canadian Trust Funds will be available electronically via Viewfinder on 3 January 2012.

As in previous years any queries on the year end schedules should be faxed direct to the relevant Trustee on the attached pro-formas (Appendices 4 and 5).

Agents should note that it is critical that the final deadlines for sending queries to the Trustees are strictly adhered to in order to achieve this timetable for the whole Market.

Arrangements have been made for certificates of balance and assets held in respect of LDTF accounts (including pool accounts, sweep accounts and WALF balances) to be despatched direct to managing agents and their auditors on 13 January 2012 by Citibank London.

Audit queries in respect of the above LDTF reports should be directed to the following:-

Any queries on these statements should be directed to Carolyn Smith, Financial Control, Chatham on Lloyd's extension 2922

Managing Agents should be aware that the forms in Appendices 6 and 7 have been sent to the following Auditors for completion, we use one contact name as a liaison at each auditor.
