'Lloyd's this morning announces that Standard and Poor's has affirmed the Insurer Financial Strength Rating (IFSR) of the Lloyd's market of 'A+' (Strong) and has revised the rating outlook to stable from positive.

This follows July's affirmation by AM Best of Lloyd's Insurer Financial Strength Rating (IFSR) at 'A' (Excellent) and the rating outlook as positive. Lloyd's Insurer Financial Strength Rating (IFSR) was upgraded by Fitch in June from 'A+' to 'AA-' with a stable rating outlook.

The 2014 report on Standard and Poor's Rating of the Lloyd's Market will be available in the coming weeks.'
