Lloyd's Taxation Department is running some seminars in late October and early November to coincide with the issue of revised forms CTA1 for the 1994, 1995 and 1996 years of account. The seminars, which are being given in association with the Inland Revenue, will focus on the practical implications arising from the settlement of the syndicate tax results. They will also cover other topical issues for individual members.

The attached registration form gives further details. If you would like to attend or to send representatives, please complete and return the form to Taxation Department, marking on the envelope which seminar you wish to attend. The form can be photocopied if required.

This bulletin is being sent to all underwriting agents, recognised auditors, personal accountants to individual members and members who deal with their own tax affairs.

If you have any registration queries, please contact Helen Clark on Lloyd's extension 6046 or Lynda Newman on Lloyd's extension 6050.
