2003 year end bulletin.doc\Y3380  
**SUBJECT:** 2003 FSA RETURN – RECOVERY OF COSTS FOR FSA  
DATA CAPTURE AND REPORTING SERVICE

**ACTION POINTS:** None  
**DEADLINE:** **Friday 1 October 2004 (recovery of XIS charges  
incurred by Lloyd's through ARCS system)**

The Xchanging Ins-sure Services (XIS) market communication entitled 'The Xchanging Ins-sure Services FSA Reporting Service', reference 2002/091, dated 18 November 2002, set out the various arrangements associated with the provision of data and reports to Market Reporting and managing agents to enable them to complete the FSA returns to Lloyd's. Your attention is drawn to the section entitled 'Reporting Services Costs' on page 4 of the communication, which advised that the various costs associated with the development and provision of this service would be met by Lloyd's, and then subsequently passed on to the market. The provision of this service was agreed by the Lloyd's Market Association (LMA).

This year, the only costs to be recovered are in respect of the collection of data and provision of reporting services to enable the market to meet the reporting requirements of the FSA return, including the provision of reports to the market as at 31 December 2003, which amounted to £154,512. This compares with £161,895 for the 2002 year end. There are no amounts chargeable in respect of development of systems and processes for 2003 (2002: £370,288).

The amount of £154,512 has now been paid to XIS by Lloyd's and needs to be recovered from the market. As compliance with FSA reporting requirements is essential for the ongoing ability for the Society to trade, it is appropriate to recover the cost from syndicates trading for 2003. Accordingly this amount will be recovered from these syndicates pro rata to capacity, and will represent approximately

0.00104% of total capacity of £14,859m.

The amounts will be collected from the market using the ARCS system, on 1 October 2004. Please note that these charges attract VAT at the rate of 17.5%.

Any queries regarding this bulletin should be addressed to James Matthews on extension 5534 or Paul Appleton on extension 6433.

This bulletin is being sent to the compliance officers of all managing agents and to the LMA for information.
