This bulletin is being sent to all compliance officers, managing agents, active underwriters and brokers.

The information contained in this market bulletin is provided in order to support managing agents in meeting their commitment **'to protect Lloyd's licences and authorisations to conduct insurance business in the UK and overseas'**. The information will also help underwriters decide, prior to binding, how a risk can be underwritten in compliance with Lloyd's trading rights in the country concerned.

More detailed information on Lloyd's trading rights may be found on www.lloyds.com/worldwide. Select the appropriate country from the Lloyd's trading status box (located on the right hand side of the web page) and this will take you to the Quick Reference Guide for the country selected. More detailed information may then be obtained for certain countries by selecting 'Manual' from the menu on the left hand side of the screen. You will be asked to input a user name and password. Please contact the Worldwide Market Services (contact details as above) in order to obtain this information.
