Provisionally accredited Lloyd's brokers Argyll Insurance Brokers Ltd (AIB/1061) and Mondialbrokers Srl Ltd (MBK/1080) have been removed from the register of Lloyd's brokers with immediate effect.

The removal of both these brokers is at their own request and follows the difficulties they have experienced in developing their business at Lloyd's, obtaining terms of business agreements with managing agents and in placing business in the Lloyd's market since their provisional accreditation in 2002.

This bulletin is being sent to Active Underwriters, Members Agents, Managing Agents, Brokers, Recognised Auditors.
