Subject	Compliance questionnaire for Lloyd's approved Coverholders
Subject areas	Ongoing coverholder suitability
Attachments	Coverholder annual compliance questionnaire
Action points	Mandatory use of the compliance questionnaire for Lloyd's Coverholders
Deadlines	18 January 2007

This bulletin imposes the use of the compliance questionnaire for Lloyd's approved coverholders as a replacement to the LMA 9001 from 18 January 2007.

Lloyd's, in liaison with the LMA and LMBC, has designed this standard compliance questionnaire for completion by Coverholders so that they may provide, in a single document, information required by Underwriters to consider the renewal of their binding authority(ies) and to demonstrate that they continue to meet the criteria to be a Lloyd's approved coverholder in accordance with the Franchise Performance Standards. **Its purpose is to eliminate the need for different questionnaires from Underwriters asking for the same core information.**

The process

- 1** Annually, prior to renewal of a binding authority, the coverholder provides their Lloyd's broker(s) with a copy of the questionnaire and attachments.
- 2** The Lloyd's broker(s) forwards a copy of the questionnaire and attachments to the underwriter(s) granting the binding authority.
- 3** If the coverholder has two or more binding authorities at Lloyd's which have different renewal dates they will provide their Lloyd's broker(s) with an updated copy of the questionnaire and attachments incorporating any changes. If there are no changes

since it was originally completed they may confirm this in an email or by re-signing and dating the declaration at section 8.

This bulletin has the support of the LMA delegated underwriting committee and the LMBC binders, offslips and lineslips team.

COMPLIANCE QUESTIONNAIRE FOR LLOYD'S APPROVED COVERHOLDERS

- 1 Throughout this document the term "you" or "your" means the Lloyd's Approved Coverholder.
- 2 Please complete this questionnaire **annually** when requested and return to your Lloyd's broker who will forward the information to those Underwriting Members of Lloyd's who underwrite your binding authority(ies) at Lloyd's ("the Underwriters").
- 3 Lloyd's has designed this standard compliance questionnaire for completion by you so that you may provide, in a single document, information required by the Underwriters to consider the renewal of your binding authority(ies) and to demonstrate that you continue to meet the criteria to be a Lloyd's approved coverholder. **Its purpose is to eliminate the need for different questionnaires from the Underwriters asking for the same core information.**
- 4 You are reminded that you have an obligation to notify the Underwriters, your Lloyd's broker and Lloyd's of any material changes to information contained within this questionnaire, being matters of which the Underwriters, your Lloyd's broker and Lloyd's would reasonably expect notice. In practice this should be achieved by advising your Lloyd's broker who will communicate the information to the relevant parties.
- 5 If you have two or more binding authorities at Lloyd's which have different renewal dates, your Lloyd's broker may ask you to update this questionnaire for each renewal but this can be achieved by an E-mail confirmation that there are no changes to the information previously provided or by re-signing and dating the declaration in section 8.
