1. Changes in managing agent's fees or profit commissions

1.1 *Unaligned syndicates*

A managing agent which wishes to change its fees or profit commissions in respect of an unaligned syndicate must make an initial application to Paul Brady (020 7327 5750/paul.brady@lloyds.com) by no later than 30 April 2008 (copy to members' agents and direct corporate participants where applicable). A full application must then be made in accordance with the requirements set out in annex 1 by no later than 20 June 2008.

It is in the best interests of managing agents, members and Lloyd's if agreement in respect of changes in fees or profit commissions can be reached prior to any application to Lloyd's. Managing agents and members agents' should use their best endeavours to establish whether agreement can be reached.

1.2 *Aligned syndicates*

A managing agent which wishes to change its fees or profit commissions in respect of an aligned syndicate must contact Paul Brady by no later than 1 September to discuss what information should be provided to Lloyd's. This may depend on the level of change in question.

2. General changes in members' agents fees or profit commissions

A members' agent which wishes to effect a general change to its fees or profit commission must make an initial application to Paul Brady by no later than 30 April 2008. Lloyd's will then meet with the members' agent to discuss how the application should be taken forward.

3. Syndicate mergers

3.1 *Unaligned syndicate*

A managing agent which wishes to effect a syndicate merger (other than where all of the syndicates in question are wholly aligned) must follow the requirements set out in schedule 1 to the Major Syndicate Transactions Byelaw (<http://www.lloyds.com/NR/rdonlyres/D2D0835C-3FC4-4A8C-A04E-3A2D64AF2E71/0/April08MajorSyndicateTransactions.pdf>). Notice of intention to effect a syndicate merger must be given by no later than 30 April 2008.

3.2 *Aligned syndicates*

A managing agent which wishes to effect a syndicate merger where all of the syndicates in question are wholly aligned should contact Claire Schrader (020 7327 6173/claire.schrader@lloyds.com).

4. Minority buy-outs

A managing agent which wishes to effect a minority buy-out for the 2009 year of account must make an application to Claire Schrader by no later than 30 April 2008 for conditional consent to give notice of termination under the relevant managing agent's agreements. Applications must be made in accordance with paragraph 11B of the Agency Agreements Byelaw (No. 8 of 1998) and schedule 2, paragraph 2 of the Major Syndicate Transactions Byelaw (No. 18 of 1997). Managing agents are reminded that they should provide members' agents and direct corporate participants with a copy of their application and give them 21 days from the point of despatch to make representations to Claire Schrader.

Where Lloyd's grants conditional consent to the giving of notice of termination, managing agents must give notice of that conditional consent to members' agents

and direct corporate participants by 30 June (or such later date as Lloyd's may agree to).

Managing agents must ensure that, when making the capacity offer which precedes a minority buy-out, they comply with the Capacity Offer Rules. The Rules for 2008 will be prescribed later this month and will include a table of the 2008 prescribed dates relating to the capacity offers and minority buy-outs. Managing agents proposing to effect minority buy-outs in 2008 should contact Claire Schrader at the earliest opportunity.

Following the capacity offer, if the conditions set out in paragraph 2 of the Major Syndicate Transactions Byelaw are met, application must be made to Lloyd's for permission to effect the minority buy-out. Requests for minority buy-outs are considered by the Capacity Transfer Panel. Guidance on minority buy-outs is set out in Regulatory Bulletin 041/2000 "Guidance on Minority Buy-Outs" issued on 18 April 2000.

5. Any other proposed variations to the standard agency agreements.

Underwriting agents are reminded that any proposed variation to the standard agency agreements requires Lloyd's consent. In the event that an underwriting agent proposes to make a variation they are invited to contact Claire Schrader at the earliest opportunity.

6. Questions

Any questions with regard to changes to managing agent's fees or profit commissions should be directed to Paul Brady. Any other questions with regard to this bulletin should be directed to Claire Schrader.

This bulletin supersedes bulletin Y3996.

2. Managing agents should provide members' agents and direct corporate participants with a copy of their application and give them at least 21 days from the point of despatch to make written representations to the Legal Department (marked for the attention of Paul Brady - paul.brady@lloyds.com).
3. Applications will be determined by Lloyd's in accordance with the following terms of reference -
 - 3.1 In determining whether an application for consent to terminate the standard managing agent's agreement in respect of a proposed increase in fee and/or profit commission should be granted, the Franchise Board must be satisfied that the increase is reasonable in that it will not materially adversely affect the rights of members who participate on the syndicate in question (or the value of those rights) or, if it does, that such effect is objectively and reasonably justified.
 - 3.2 The burden of satisfying the Franchise Board of the above matters is on the managing agent.
 - 3.3 Every application will be determined on its merits in a consistent manner having regard to all relevant matters including:
 - a. the rights of the members to participate on the syndicate in question;
 - b. the fees previously charged by the managing agent; and
 - c. the information submitted by the managing agent in support of the application.

- 3.4 Each application must be approved by the managing agent's board of directors and must include supporting information in accordance with the requirements contained in this annex.

 - c. the reason(s) why the increase in expenditure will not be treated as a syndicate expense.
 - d. a statement of the commercial or business case for the proposed fee increase including and cross referring where necessary to supporting budgets and estimates in respect of any proposed increased expenditure. The information shall be presented in such a way as to clearly show to which managed syndicates and to which years of account any proposed increase in expenditure will relate and shall include an explanation of the benefit that will accrue from the proposed increase in expenditure in respect of each managed syndicate.
 - e. details of the annual fee and/or profit commission (expressed both as a percentage and as a monetary amount) charged or to be charged by the agent for all managed syndicates for the current year of account and for each of the three preceding years of account (estimated figures may be provided where actual figures are not yet available).
 - f. details of the expenditure incurred or to be incurred and not recharged to the syndicate by the managing agent for all managed syndicates for the current year of account and for each of the three preceding years of account, together with details of the period over which any material or exceptional items of expenditure are to be amortised (estimated figures may be provided where actual figures are not yet available).
 - g. details of the budget for the managing agent and for each of the syndicates managed by the managing agent for the current year of account and the estimated budgets for future years of account, up to and including the first year of account in which it is considered by the managing agent that members of the relevant syndicate will begin to derive benefit from the proposed expenditure.  - h. details of any changes in the syndicate allocated capacity of the relevant syndicate for the current year of account as compared to each of the three preceding years of account and any proposed changes.
