Title	AMERICAN, CANADIAN AND OTHER OVERSEAS TRUST FUNDS YEAR END REPORTING TIMETABLE
Purpose	To advise Managing Agents and Auditors of the Lloyds American and Canadian Trust Funds Year End Reporting Timetable
Type	Annual Event
From	Ian Wootten, Manager, Financial Processing and STFO Extn 2098
Date	3 November 2009
Deadline	As per attached timetable
Related links	

Please find attached a copy of this year's timetable (Appendix 1).

As in previous years, the American Custody Pricing Tolerance Standard, which is now being accepted as the industry standard for all Trustees in the USA will be applied (see Appendix 2). Similar arrangements have been instituted with the Canadian Trustee (see Appendix 3).

Agents should note the pricing sources that the Trustees will be using. If agents anticipate any problems with these prices, steps should be taken to ensure that Citibank and/or RBC Dexia are supplied with an alternative valuation by 13 January 2010 and 11 January 2010 respectively. If no alternative valuations are received by the deadline, the initial prices obtained by the Trustees will automatically be applied.

Please note that if an alternative price is adopted for a particular security then it will be applied to all holdings within the Trust Fund.

Agents should take account of the tight timescale, which cannot be avoided, for all processing including queries. Please note that reports, as detailed on the timetable, will be available for collection from Tenants & Couriers, Lower Ground Floor, Lloyds 86 Building by personal callers, who will need to produce an appropriate letter of authority and personal identification.

US tax figures will be produced as they are needed to complete Names' US tax returns, but the information will be supplied direct to Lloyd's Market Services.

Any tax enquiries should be directed to Helen Harrison, Taxation Department on Lloyd's extension 6859.

Managing Agents and their investment advisers should be aware that U.S. Life Syndicate preliminary pricings and assets will be available electronically via Citibanking on 4 January 2010.

As in previous years any queries on the year end schedules should be faxed direct to the relevant Trustee on the attached pro-formas (Appendices 4 and 5).

Agents should note that it is critical that the final deadlines for sending queries to the Trustees are strictly adhered to in order to achieve this timetable for the whole Market.

Arrangements have been made for certificates of balance and assets held in respect of LDTF accounts (including pool accounts, sweep accounts and CILF balances) to be despatched direct to managing agents and their auditors on 15 January 2010 by Citibank London.

Audit queries in respect of the above LDTF reports should be directed to the following:-

Any queries on these statements should be directed to Carolyn Smith, Financial Control, Chatham on Lloyd's extension 2922

Any general queries concerning this letter and enclosures should be addressed to David Whitby on Lloyd's extension 2206 or Ian Wootten on Lloyd's extension 2098, and any

enquiries regarding the collection of year end documentation should be addressed to Tenants & Couriers, 86 Building, Lloyds, Extn 5474.
