I am writing to confirm the timetable and other arrangements in respect of the submission of the 2009 year end US Reporting packs to the New York Insurance Department (NYID) which are in line with the 2008 year end dates.

As you know, the annual returns have to be filed within 60 days of the year end with NYID. I would remind agents that this deadline has to be complied with strictly, to ensure that Lloyd's meets its US reporting requirements. The timetable for this filing exercise is detailed below:

	<u>Key Date</u>
Provision of preliminary electronic packs by Market Finance to managing agents <b>via the Market Reporting web-site. <u>Agents should download their packs and supporting documentation from the web-site</u></b>	19 January 2010
Submission of amended electronic packs by Managing Agents to Market Finance	<b>12 February 2010</b>

Provision of final signed and notarised reporting packs by managing agents	17 February 2010
All syndicate packs to be despatched to New York by Market Finance for filing with NYID	22 February 2010

**We would recommend that agents ensure they are able to access the Market Reporting web-site in advance of the key dates. If you have any queries regarding the web-site, please contact the Market Returns helpline number on 020 7327 5021.**

**Please note that it is essential that any queries generated by the packs or otherwise should be raised well in advance of the deadline dates to allow Market Finance sufficient time to revert to you with the answers. This is particularly relevant to queries in respect of Citibank investment and cash balances, or where in extremis an adjustment is required which cannot be made to the electronic packs which agents are updating.**

If you have any queries on the contents of this letter, please contact me, or David Cokayne (ext 6238) or Nadia Yakoob (ext 6317).

Yours faithfully
