

LLOYD'S INTERNATIONAL COMPLAINTS - ITALY

Handling Italian Complaints at Lloyd's: Guidance for managing agents and their representatives

This guidance note provides a practical process for handling complaints received from complainants in Italy.

Where complaints arise complainants should expect to have their complaint dealt with in a prompt and reasonable way. At the same time, different countries have different local rules for the handling of complaints. Lloyd's revised arrangements for international complaints will allow for better oversight of the handling of complaints outside of the UK, consistent with the regulatory expectations of the Financial Conduct Authority (FCA), whilst allowing flexibility for managing agents in the way they handle complaints.

Managing agents should ensure they are able to comply with local regulations in Italy as well as Lloyd's requirements for handling complaints in that territory. Any questions should be directed to the Lloyd's Complaints team.

Note: This note is only intended to provide summary guidance. It is important that managing agents continue to refer to Crystal for territory specific complaints regulations, including for Italy. For Italy, this includes requirements for insurers to handle complaints made against their agents when they are acting on their behalf and where the agent is registered in Section A of the Register of Intermediaries.

Process to be followed for handling Italian complaints

- Managing agents must have procedures in place that allow complaints to be made in writing. The definition of a complaint in Italy is:

“A statement of dissatisfaction in written form with an insurance undertaking, an insurance intermediary or an intermediary registered in the annexed list [*insurance intermediaries authorised and regulated in another EEA member state that have passported into Italy*] relating to an insurance contract or service; enquiries, requests for clarifications, claims for damages or requests for the performance of the contract shall not be considered complaints.”

- It is the responsibility of managing agents to handle all international complaints appropriately and ensure they are compliant with all relevant local rules. This includes any requirement to acknowledge complaints, provide information to the complainant and meet applicable time limits.
- The Agent must advise the complainant that their complaint has been passed to the insurer.
- Managing agents or representatives must report a complaint to the Lloyd's Italian office (LIO) within 48 hours of receipt. This includes, but is not limited to all complaints that are subject to the local regulatory complaint handling rules or where the complainant has a right of referral to IVASS.
 - There is no need to include complaints which were brought to the attention of the managing agent by Lloyd's.
 - There is no requirement for a “nil return” where no complaints are received.
 - For policies or binding authorities where there is more than one syndicate participating, Lloyd's expects the lead syndicate to notify the complaint.
- Managing agents must include the original complaint when reporting complaints to LIO and preferably they should also use the template provided by Lloyd's although this is not mandatory.
- If used the Italian Notification Template should be downloaded from www.lloyds.com/complaintshandling and sent once completed via email to: servizioreclami@lloyds.com or servizioreclami@pec.lloyds.com (certified email)
- Complaints must be notified to Lloyd's within 14 days of receipt and those not notified to Lloyd's with 21 days of receipt will incur an 'additional administration charge'.

- Complaints will be entered onto the complaints monitoring database by Lloyd's to enable effective monitoring and regulatory reporting. No verification checks will be performed on the spreadsheet prior to upload and it will be loaded as received. In the event that the spreadsheet fails to load successfully, the spreadsheet will be returned to the managing agent, or their representative, with details of the records that have failed. These incorrect records should be resubmitted on the next spreadsheet. NB The complaint will not be classed as logged for performance oversight purposes until the corrected spreadsheet is received and the complaint is successfully uploaded.
- Managing agents must also keep their own record of each complaint received and the measures taken for their resolution.
- Lloyd's reserves the right to review and take over coordinating the response to individual complaints where, in the view of Lloyd's, this is appropriate in all the circumstances, including to meet local regulatory expectations of Lloyd's.

Response to complainant

- In all cases a written response must be sent to the complainant by the regulatory deadline. Where the complainant is in Italy, a response should be sent in Italian, within 45 days of the complaint being received.
- Responses must outline the right of the complainant (where applicable) to refer their complaint to IVASS.
- The letter should set out details of any redress or remedial action being offered. Redress includes:
 - Payments to put the complainant back into the position the complainant should have been in had the act or omission complained about not occurred, including any claim payments
 - Amounts paid for distress and inconvenience
 - Goodwill payments and goodwill gestures
 - Interest on delayed settlements
 - Waiver of any excess
- A copy of the response must be emailed to both LIO at servizioreclami@lloyds.com or servizioreclami@pec.lloyds.com (certified email) and the Lloyd's Complaints team internationalcomplaints@lloyds.com within 48 hours of the response being issued. The body of the email should confirm:
 - policy / claim number used to notify the complaint to Lloyd's
 - stage one decision (justified or not justified)

- if justified, the grounds for justification and action taken, using Lloyd's standard options
- redress payable
- root cause of complaint (if not provided on notification spreadsheet)
 - o Claim – coverage / terms and conditions
 - o Claim – customer service
 - o Claim – delay
 - o Claim – quantum
 - o Claim – standard / duration / delay of repair
 - o Cancellation / refund
 - o Customer Service – non-claims related
 - o Product suitability
 - o Other (we would expect this option to be rarely used)
- coverholder (if not provided on notification spreadsheet)
- For complaints made against the insurance agent, a copy of the response must be sent to the insurance agent together with details of any corrective action that they need to take in order to remove the cause of the complaint.
- Lloyd's Complaints team will monitor each complaint against Key Performance Metrics to ensure:
 - o the response to the complaint addresses all issues raised
 - o regulatory deadlines are complied with
 - o IVASS escalation rights are provided to the complainant

Failure to comply with the following requirements will incur an additional administration charge:

- correctly report the complaint received date
- provide all documentation in the format required by the Complaints Documentation Policy Statement
- provide a copy of the original complaint and international response within required deadline
- provide details of the coverholder / root cause
- provide correct and complete EDR referral rights

Request by complainant for a stage two review by Lloyd's

- Whilst there is no requirement to inform the policyholder of their right to refer their complaint to Lloyd's, if they remain dissatisfied with the international response the policyholder can request Lloyd's to undertake a stage two review.
- At the inception of a stage two review, Lloyd's will request a full copy of the managing agent's file and confirmation of the claim reserve. Files should be emailed to complaints-notification@lloyds.com and must include all documentation, including reports and call recordings pertinent to the case along with the policy wording, schedule and case notes. These documents are to be provided within 3 working days and in chronological order, as a single pdf

document with no duplicated documentation or emails. Files too large to send in one email should be uploaded to secure store.

- Failure to provide all documentation within this timeframe and/or in the required format will attract an additional administration charge per half hour taken to prepare the file.
- Lloyd's will issue a letter to the complainant informing them of the contact details of the complaint associate allocated to their case.
- These papers, together with documentation provided by the complainant, will be reviewed by Lloyd's Complaints team with further information being requested as necessary as part of Lloyd's investigation and assessment of the complaint. This review will take into account guidelines from FOS as well as rulings on previous, similar cases.
- Each Monday a report is emailed to each managing agent which provides details of all open cases that are being reviewed at stage two together with the contact details for the complaint associate. Emails relating to these cases are to be sent to the relevant complaint associate direct and not to the complaints or notification mailboxes. Emails incorrectly sent to these email addresses may cause delays.
- The subject line of emails should include Lloyd's complaints reference and the policyholder name.
- Requests for additional information / agreement to proposed resolution are to be responded to within the deadline provided by the complaint associate. The deadline provided will be dependent upon the regulatory deadline of the complaint.
- Where the Lloyd's proposed resolution to a complaint has a value of £50,000 or less (or where the proposed resolution involves a non-monetary outcome) the decision of the Lloyd's Complaints team may be made binding by them if agreement cannot be reached. Managing agents may appeal such decisions by appeal to the contact details provided on the Complaints Mandate proforma within 2 business days. Managing agents are required to appoint a nominated person(s) to make the appeal on their behalf. This person must be a senior person within the managing agent who is not directly involved with the management or oversight of either the claim or complaint process.
- All complaint associates are authorised to make a compensation payment of up to £50 without having to follow the formal mandate process. Such a payment will only be required where the complaint associate is satisfied that it is fair and reasonable to do so. Managing agents will be instructed to make the payment when Lloyd's Complaints team provides a copy of their Final Response.
- On completion of its review, Lloyd's Complaints team will issue a written Final Response to the complainant, together with the reasons for their decision. The letter will inform the complainant that they may refer the matter to the local EDR or FOS, as applicable.

- In most cases Lloyd's will complete its investigation and send the Final Response by the end of the regulatory deadline. Where Lloyd's Complaints team cannot provide a Final Response at this time, the complaint associate will send a letter to the complainant explaining why they are not in a position to provide a Final Response and when they expect to be able to provide one.
- A copy of the Final Response letter will be provided to the managing agent by Lloyd's Complaints team. Managing agents are asked to confirm that they have carried out the action required by Lloyd's Complaints team final response or an EDR decision. If it necessary for Lloyd's to chase for this confirmation, an additional administration charge will be levied.

Referral to the Supervision of Insurance (IVASS)

- Complainants may refer their complaint to the Institute for the Supervision of Insurance (IVASS) 45 days after submitting the complaint to the insurer or following receipt of an unsatisfactory response.
- Managing agents or their representatives must inform LIO and Lloyd's Complaints team as soon as they are aware that a complaint has been referred to IVASS.
- LIO will coordinate the handling of complaints referred to IVASS and will be responsible for issuing a response to IVASS.
- When the IVASS process has been concluded a copy of the outcome must be provided to Lloyd's Complaints team. Lloyd's will also require confirmation as to whether the decision is being accepted or rejected.

Assessment of Managing Agent Compliance with the Code

- On a quarterly basis, Lloyd's will review managing agents' performance against the published standards, KPIs and other measures.
- Managing agents failing to meet the required standards will be required to explain the measures being taken to address any failings. Failure to improve performance may result in remedial or enforcement action.

FCA complaints return

- Every six months, Lloyd's is required to submit a return to the FCA, detailing the number of complaints received, how quickly they were resolved, how many were upheld in the period and the amount of redress paid. This contains details of both UK and non-UK complaints.
- Managing agents will be required to provide details of the number of policies in place for eligible complainants, broken down into specific product categorisations.
- As required by the FCA, Lloyd's publishes these figures on its website at: www.lloyds.com/complaints.
